

Special Announcement ...

Congratulations to Anita Apodaca Winner of an iPod Shuffle

Christmas came early this year to Anita Apodaca, the first winner of AWAI's Commit to Achieve Your Goal in 2011 giveaway!

Anita will be presented with a brand new iPod Shuffle – the world's smallest music player.

The VoiceOver feature tells you what song is playing and who's performing it. It can even tell you the names of your playlists, giving you a new way to navigate your music with the controls located on the earphone cord. Clip a 2 GB iPod shuffle to your sleeve, running shorts, or backpack and take hundreds of songs wherever you go.

This giveaway encourages you to make a commitment to your success, and at the same time gives you the opportunity to win some really fun prizes!

Anita's goal for 2011: "I've done my learning. My confidence is soaring. Now I'm ready to commit to be all I can be by the end of 2011 with more money in the bank than I've ever had. But most important, to move to Ecuador (where I already own an apartment) totally self-sufficient without being slavely dependent on my measly Social Security checks. The plan and roadmap are laid out. Focus will prevail!"
